Re: Islamic Mela 2019

As-Salaamu alaykum Stallholders,

Thank you for showing interest in having a stall at our 13th annual Islamic Mela. The Islamic Mela is held every year in Cromer Street, King's Cross. Over the last few years we have seen around 5000 people attend the event on the day, mainly families. Inshallah we are holding the Islamic Mela once again on **Sunday 4th August from 12pm to 7pm.**

The event is well established and well advertised. In advertising the event we will distribute flyers to communities in Camden and Islington through distribution at Schools, Masjids, door to door, businesses, community organisations, and other major community events etc. alongside email, Facebook and text messages.

The Islamic Mela is a solely non-profit event. All revenue raised from stalls goes towards the cost of staging the event and other MCRCIA events. All staff and management who help in organising the event are unpaid. They are all contributing their time and effort on a voluntary basis for the sake of Islam and to better their community.

Attached with this letter is the stall booking form and the Terms and Conditions for stall holders.

If you have any queries please do not hesitate to contact me further.

Wa alaykumus-salaam,

Belal
